OSDA MISSION

• To expand awareness of self-determination principles: freedom, support, control, responsibility, confirmation, relationships, dreams and choice

• To provide self determination training and resources

• To promote and recognize advocacy efforts and assist in organizing advocacy efforts throughout Ohio

• To assist advocates to connect, educate with policymakers and achieve leadership positions

• To provide self determination best practice input to state and local governing organizations

OSDA creates change that empowers people with disabilities and their families to direct their lives.
